Culturethèque offers a variety of music from France and all around the French-speaking world.

If you haven't created an account, you will need to register on this page [[link to http://www.culturetheque.com/EXPLOITATION/US/register.aspx](http://www.culturetheque.com/EXPLOITATION/US/register.aspx)]. If you've already registered, log in here [[link to http://www.culturetheque.com/EXPLOITATION/US/](http://www.culturetheque.com/EXPLOITATION/US/)]. If you have any problems accessing your account, Email us [[link to afdupage.culturetheque@gmail.com](mailto:afdupage.culturetheque@gmail.com)]. We're here to help!

Once you're logged in, click on "LISTEN" in the main navigation at the bottom of the large blue area at the top of the page. On the next page, click on "Musique" in the left-hand box. Here you will find music for all tastes, from opera to hip hop, French *chansons* to *musiques du monde*, and a selection of music for children as well.

To see everything available for a musical genre, click the right and left arrows to scroll through the album covers. (Ignore the "See All" links. They don't work as expected.) When you find an album you'd like to explore, click on "Écouter" at the right to open that album in a new window. Click on the track you'd like to play and, *Voilà!* You are listening to *la musique française*. You can click on the "heart" symbol to add a track to your favorites, or the "plus" symbol to create or add to a playlist. You can retrieve your favorites and playlists using the menu in the left sidebar.

In future newsletters, we'll explore how to find books, videos and television programs, all in French and all **free** with your Alliance Française DuPage membership.

We hope you will enjoy the countless benefits of Culturethèque. If you have any questions specifically related to this service, please email us at afdupage.culturetheque@gmail.com.
